Greater Norwich Call for Sites Submission Form

FOR OFFICIAL USE ONLY	
Response Number:	GNLP0063
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team no later than **5pm on Friday 24 June 2016**.

By email: callforsites@gnlp.org.uk

Or, if it is not possible submit the form electronically,

By Post to:

*Greater Norwich Local Plan Team
PO Box 3466
Norwich
NR7 7NX*

The responses received as part of the Greater Norwich Local Plan Call for Sites will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual site(s) being stored by Norfolk County Council and shared with Broadland District Council, Norwich City Council and South Norfolk District Council, and that the details of the site will be published for consultation purposes.

Further advice and guidance can be obtained by visiting the Greater Norwich Local Plan website or by contacting the Greater Norwich Local Plan team directly:

Website: www.greaternorwichlocalplan.org.uk

E-mail: callforsites@gnlp.org.uk

Telephone: 01603 306603

1a. Contact Details

Title	Mrs
First Name	Carey
Last Name	Pascoe
Job Title (where relevant)	
Organisation (where relevant)	
Address	NULL NULL NULL NULL NULL
Post Code	NULL
Telephone Number	NULL NULL
Email Address	NULL

1b. I am...

Owner of the site

1c. Client/Landowner Details (if different from question 1a)	
Title	
First Name	
Last Name	
Job Title (where relevant)	
Organisation (where relevant)	
Address	
Telephone Number	
Email Address	

2. Site Details	
Site location / address and post code (please include as an attachment to this response form a location plan of the site on an scaled OS base with the boundaries of the site clearly shown)	land to the southern side of Harvey Lane / Langmere Road (your previous ref: Z1195) Dickleburgh Diss Norfolk
Grid reference (if known)	TM 17182

Site area (hectares)	1.25
Site parish	Dickleburgh
Site district	South Norfolk

Site Ownership	
3a. I (or my client)...	
Is a part owner of the site	
3b. Please provide the name, address and contact details of the site's landowner(s) and attach copies of all relevant title plans and deeds (if available).	
3c. If the site is in multiple landownerships do all landowners support your proposal for the site?	Yes
3d. If you answered no to the above question please provide details of why not all of the sites owners support your proposals for the site.	

Current and Historic Land Uses
4a. Current Land Use (Please describe the site's current land use e.g. agriculture, employment, unused/vacant etc.)

Agriculture albeit maintained only as grassland ready for development

4b. Has the site been previously developed?

No

4c. Describe any previous uses of the site. (please provide details of any relevant historic planning applications, including application numbers if known)

Agriculture.

Proposed Future Uses

5a. Please provide a short description of the development or land use you proposed (if you are proposing a site to be designated as local green space please go directly to question 6)

Housing development including affordable housing and low carbon/renewables properties

5b. Which of the following use or uses are you proposing?

Market Housing	Yes
Affordable Housing	Yes
Residential Care Home	No
Gypsy and Traveller Pitches	No
Business and offices	No
General industrial	No
Storage and distribution	No
Tourism	No
Recreation & Leisure	No
Community Use	Yes
Public Open Space	No
Other (Please Specify)	NULL

5c. Please provide further details of your proposal, including details on number of houses and proposed floorspace of commercial buildings etc.

The site will support a variety of housing stock types, between 15 - 30 properties along with generous green space and gardens. Housing to include affordable and low carbon inline with current government directives.

5d. Please describe any benefits to the Local Area that the development of the site could provide.

The land is situated opposite Limmer Avenue, Dickleburgh, which is a well established housing development. Our land is close to the village school, community centre, shops and bus route and follows the housing line along the south side of Harvey lane/Langmere road. It fits well within the village boundary with easy access to village amenities with no main roads for residents to negotiate. Affordable housing and low carbon (renewables) properties would support the local community housing needs, supporting young people wanting to enter housing market/ ladder staying close to the village they grew up in, maintaining family and community values and support national/ government targets for housing needs and low carbon. The area also has potential for further green space/ community playing field opportunities.

Local Green Space

If you are proposed a site to be designated as Local Green Space please complete the following questions. These questions do not need to be completed if you are not proposing a site as Local Green Space. Please consult the guidance notes for an explanation of Local Green Space Designations.

6a. Are you proposing a site to be designated as a Local Green Space?

No

6b. Which community would the site serve and how would the designation of the site benefit that community.

NULL

6c. Please describe why you consider the site to be of particular local significance e.g. recreational value, tranquillity or richness in wildlife.

NULL

Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

There is already access to the site although this would need improving as part of development. No public rights of way across or adjoin the site

7b. Topography: Are there any slopes or significant changes of in levels that could affect the development of the site?
None
7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?
Ground conditions are stable, excellent drainage and free from contamination
7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?
No flood risk or history of. Land well drained
7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?
No legal issues with regard to land development with no covenants applying nor tenancies.
7f. Environmental Issues: Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?
None
7g. Heritage Issues: Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?
None
7h. Neighbouring Uses: What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?
housing, agriculture and grassland. No issues foreseen.
7i. Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed.
None
7j. Other: (please specify):
None

--

Utilities	
8a. Which of the following are likely to be readily available to service the site and enable its development? Please provide details where possible.	
Mains water supply	Yes
Mains sewerage	Yes
Electricity supply	Yes
Gas supply	No
Public highway	Yes
Broadband internet	Yes
Other (please specify):	NULL
8b. Please provide any further information on the utilities available on the site:	
opposite established housing estate so all utilities available	

Availability
9a. Please indicate when the site could be made available for the land use or development proposed.
Immediately
9b. Please give reasons for the answer given above.
site was included on previous local development plan so already prepared for development now.

Market Interest

10. Please indicate what level of market interest there is/has been in the site. Please include relevant dates in the comments section.	
Enquiries received	
Comments	Have had site visits by Planning and Development Consultants and architect. Building developers have expressed interest.

Delivery
11a. Please indicate when you anticipate the proposed development could be begun.
Immediately
11b. Once started, how many years do you think it would take to complete the proposed development (if known)?
not known

Viability	
12a. You acknowledge that there are likely to be policy requirements and Community Infrastructure Levy (CIL) costs to be met which will be in addition to the other development costs of the site (depending on the type and scale of land use proposed). These requirements are likely to include but are not limited to: Affordable Housing; Sports Pitches & Children's Play Space and Community Infrastructure Levy	Yes
12b. Do you know if there are there any abnormal costs that could affect the viability of the site e.g. infrastructure, demolition or ground conditions?	No
12c. If there are abnormal costs associated with the site please provide details:	
NULL	
12d. Do you consider that the site is currently viable for its proposed use taking into account any and all current planning policy and CIL considerations and other abnormal development costs associated with the site?	Yes

12e. Please attach any viability assessment or development appraisal you have undertaken for the site, or any other evidence you consider helps demonstrate the viability of the site.

The site is ready for development and has no known issues relating to its viability for housing development. The land is situated opposite an established residential development (Limmer Avenue, Dickleburgh). Our land is close to the village school, community centre, shops and bus route and follows the housing line along the south side of Harvey lane/Langmere road. It fits well within the village boundary with easy access to village amenities with no main roads for residents to negotiate. Affordable housing and low carbon (renewables) properties would support the local community housing needs, supporting young people wanting to enter housing market/ladder staying close to the village they grew up in, maintaining family and community values and support national/government targets for housing needs and low carbon. The area also has potential for further green space/ community playing field opportunities.
