

Greater Norwich Call for Sites Submission Form

FOR OFFICIAL USE ONLY	
Response Number:	GNLP0090
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team no later than **5pm on Friday 24 June 2016**.

By email: callforsites@gnlp.org.uk

Or, if it is not possible submit the form electronically,

By Post to:

*Greater Norwich Local Plan Team
PO Box 3466
Norwich
NR7 7NX*

The responses received as part of the Greater Norwich Local Plan Call for Sites will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual site(s) being stored by Norfolk County Council and shared with Broadland District Council, Norwich City Council and South Norfolk District Council, and that the details of the site will be published for consultation purposes.

Further advice and guidance can be obtained by visiting the Greater Norwich Local Plan website or by contacting the Greater Norwich Local Plan team directly:

Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

yes current access direct onto Norwich Road. Improvements to the access might be required but will depend on the number of houses developed. No public rights of

way exist.

7b. Topography: Are there any slopes or significant changes of in levels that could affect the development of the site?

The land is generally level rising slightly from front to back. These features could be used to improve the landscaping of any residential development

7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?

Ground conditions are stable and no known contamination

7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?

No known flood risk

7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?

The land is owned outright with full vacant possession and is unencumbered by rights of access, restrictive covenants etc

7f. Environmental Issues: Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?

None that we are aware of

7g. Heritage Issues: Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?

None that we are aware of

7h. Neighbouring Uses: What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?

The land is a natural village infill site and there is housing on the western boundary and public highway to the north and east. Agricultural land borders the south. It will not affect neighbouring uses.

7i. Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed.

No none

7j. Other: (please specify):
None that we are aware of

Utilities	
8a. Which of the following are likely to be readily available to service the site and enable its development? Please provide details where possible.	
Mains water supply	Yes
Mains sewerage	Yes
Electricity supply	Yes
Gas supply	Unsure
Public highway	Yes
Broadband internet	Yes
Other (please specify):	NULL
8b. Please provide any further information on the utilities available on the site:	
We have not done a utilities search yet but have been informed that these services are available in the road in front and to the adjacent houses	

Availability
9a. Please indicate when the site could be made available for the land use or development proposed.
Immediately
9b. Please give reasons for the answer given above.

The land is vacant

Market Interest

10. Please indicate what level of market interest there is/has been in the site. Please include relevant dates in the comments section.

Enquiries received

Comments

We are in discussions with the landowner to promote the site on their behalf.

Delivery

11a. Please indicate when you anticipate the proposed development could be begun.

1 to 5 years (by April 2021)

11b. Once started, how many years do you think it would take to complete the proposed development (if known)?

12 - 18 mnths

Viability

12a. You acknowledge that there are likely to be policy requirements and Community Infrastructure Levy (CIL) costs to be met which will be in addition to the other development costs of the site (depending on the type and scale of land use proposed). These requirements are likely to include but are not limited to: Affordable Housing; Sports Pitches & Children's Play Space and Community Infrastructure Levy

Yes

12b. Do you know if there are there any abnormal costs that could affect the viability of the site e.g. infrastructure, demolition or ground conditions?

No

12c. If there are abnormal costs associated with the site please provide details:

NULL

12d. Do you consider that the site is currently viable for its proposed use taking into account any and all current planning policy and CIL considerations and other abnormal development costs associated with the site?

Yes

12e. Please attach any viability assessment or development appraisal you have undertaken for the site, or any other evidence you consider helps demonstrate the viability of the site.

We are an experienced developer and our initial assessment is that there are no issues that would adversely affect the viability of the development. The land is currently vacant and any sale price will be negotiated once all costs are considered and a detailed development appraisal is completed
