Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

There is no current access from Beccles Road, a new access will be created in accordance with the planning authority highways details and specifications.

There are no Public Rights of Way on the site.
7b. Topography: Are there any slopes or significant changes of in levels that could affect the development of the site?
The proposed site is flat and without any notable features.
7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?
The ground is expected to be stable and suitable for the proposed use with no anticipation of any contamination issues.
7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?
By looking at the Environment Agency plan for the area there is a low risk of flooding close to the site but not for the actual area (see attachment).
7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?
There are no known issues associated with the land which would cause any legal problems including all of those mentioned in the question.
7f. Environmental Issues: Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?
There are no known listed buildings adjacent to the site and this area is not within a Conservation Area.
7g. Heritage Issues: Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?
There are no known listed buildings adjacent to the site and this area is not within a Conservation Area.
7h. Neighbouring Uses: What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?
The South of the site fronts onto Sandy Lane, the North shares a boundary with Holly Cottage and open fields, the East shares a boundary with a housing proposal and the West open fields with a shared boundary to the South West with a property Meadow View. The proposed development designed sympathetically should have no implications with any current boundary use.

7i. Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed.
There are no buildings or structures on the site.
7j. Other: (please specify):
There are no known other constraints to deal with.

Comments

The applicant would hope to develop this land.

Delivery

11a. Please indicate when you anticipate the proposed development could be begun.

1 to 5 years (by April 2021)

11b. Once started, how many years do you think it would take to complete the proposed development (if known)?

The project will require time to develop a plan acceptable to the planning authority and gain permission, construction time etc

Viability

12a. You acknowledge that there are likely to be policy requirements and Community Infrastructure Levy (CIL) costs to be met which will be in addition to the other development costs of the site (depending on the type and scale of land use proposed). These requirements are likely to include but are not limited to: Affordable Housing; Sports Pitches & Children's Play Space and Community Infrastructure Levy

Yes

12b. Do you know if there are there any abnormal costs that could affect the viability of the site e.g. infrastructure, demolition or ground conditions?

No

12c. If there are abnormal costs associated with the site please provide details:

NULL

12d. Do you consider that the site is currently viable for its proposed use taking into account any and all current planning policy and CIL considerations and other abnormal development costs associated with the site?

Yes

12e. Please attach any viability assessment or development appraisal you have undertaken for the site, or any other evidence you consider helps demonstrate the viability of the site.

Not known at this stage.
