### Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

**7a. Site Access:** Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

Two access points to Colegate End Road. It is anticipated that one new central access would be provided for the scale of development. That would maximise the

visibility splays and would create a better form of development.

**7b. Topography:** Are there any slopes or significant changes of in levels that could affect the development of the site?

Generally the ground is level and site surrounded by native hedging

**7c. Ground Conditions:** Are ground conditions on the site stable? Are there potential ground contamination issues?

Due to the historical land use it is unlikely that land contamination will be an issue.

**7d. Flood Risk:** Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?

The site is not in a flood zone

**7e. Legal Issues:** Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?

No

All land including the access within clients ownership

**7f. Environmental Issues:** Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?

No

**7g. Heritage Issues:** Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?

No

**7h. Neighbouring Uses:** What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?

Mainly residential. Close to recreation ground

**7i. Existing uses and Buildings:** are there any existing buildings or uses that need to be relocated before the site can be developed.

No

**7j. Other:** (please specify):
