

Greater Norwich Call for Sites Submission Form

FOR OFFICIAL USE ONLY	
Response Number:	GNLP0172
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team no later than **5pm on Friday 24 June 2016**.

By email: callforsites@gnlp.org.uk

Or, if it is not possible submit the form electronically,

By Post to:

*Greater Norwich Local Plan Team
PO Box 3466
Norwich
NR7 7NX*

The responses received as part of the Greater Norwich Local Plan Call for Sites will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual site(s) being stored by Norfolk County Council and shared with Broadland District Council, Norwich City Council and South Norfolk District Council, and that the details of the site will be published for consultation purposes.

Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

Pedestrian and vehicle access is available from Green Lane West. A further access will be constructed to adoptable standard from Newman Road as part of the works

to the NDR.

7b. Topography: Are there any slopes or significant changes of in levels that could affect the development of the site?

The site benefits from the NDR being at a lower level which will provide natural mitigation from road noise.

7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?

None known.

7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?

None known, site within Flood Zone 1 according to the Environment Agency.

7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?

None.

7f. Environmental Issues: Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?

The site will benefit from the ecology mitigation works being carried out as part of the NDR and located close to the site. Trees along the site boundaries provide a mature buffer to neighbouring land uses. The proposed development will seek to retain these wherever possible.

7g. Heritage Issues: Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?

Heritage assets to the west of the site such as Rackheath Hall will be physically separated from the site by the NDR. The land area to the west of the NDR is proposed for POS or ecology mitigation. As such the proposed development will have no impact on their setting or significance.

7h. Neighbouring Uses: What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?

Residential to the north - no impact envisaged due to appropriate design and mitigation.

Commercial to the south - no impact envisaged due to appropriate design and mitigation.

NDR to the west - no impact envisaged due to appropriate design and mitigation.
[...]

7i. Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed.
