

Greater Norwich Call for Sites Submission Form

FOR OFFICIAL USEONLY	
Response Number:	GNLP0218
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team no later than **5pm** on **Friday 24 June 2016**.

By email: callforsites@gnlp.org.uk

Or, if it is not possible submit the form electronically,

By Post to:

Greater Norwich Local Plan Team PO Box 3466 Norwich NR7 7NX

The responses received as part of the Greater Norwich Local Plan Call for Sites will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual site(s) being stored by Norfolk County Council and shared with Broadland District Council, Norwich City Council and South Norfolk District Council, and that the details of the site will be published for consultation purposes.

Further advice and guidance can be obtained by visiting the Greater Norwich Local Plan website or by contacting the Greater Norwich Local Plan team directly:

Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

There is good access off the Earsham Road with excellent visibility splays. There are no public rights of way affecting the land.

7b. **Topography**: Are there any slopes or significant changes of in levels that could affect the development of the site?

Power cables cross the site, but these could be buried if required.

7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?

The sites ground conditions are stable. There is no history of subsidence as the land is predominantly free draining over a gravel strata. There are no known contamination issues.

7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?

None.

7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?

The land is currently subject to an Agricultural Tenancy, but possession can be obtained when planning permission granted.

7f. Environmental Issues: Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?

None that we are aware of

7g. Heritage Issues: Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?

No.

7h. Neighbouring Uses: What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?

The land adjoins the A143 to the north, Earsham Village to the east and south.

7i. Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed.

No.

7j. Other: (please specify):

None.

Viability	
12a. You acknowledge that there are likely to be policy requirements and Community Infrastructure Levy (CIL) costs to be met which will be in addition to the other development costs of the site (depending on the type and scale of land use proposed). These requirements are likely to include but are not limited to: Affordable Housing; Sports Pitches & Children's Play Space and Community Infrastructure Levy	Yes
401 5	
12b. Do you know if there are there any abnormal costs that could affect the viability of the site e.g. infrastructure, demolition or ground conditions?	No
12c. If there are abnormal costs associated with the site please p	provide details:
NULL	
12d. Do you consider that the site is currently viable for its proposed use taking into account any and all current planning policy and CIL considerations and other abnormal development costs associated with the site?	Yes

12e. Please attach any viability assessment or development appraisal you have			
undertaken for the site, or any other evidence you consider helps demonstrate the			
viability of the site. We have not carried out a specific development appraisal of the site. Mr Meade,			
the Landowner, also owns the playing fields in the middle of the village which			
potentially could be developed, but it is his intention that they should remain as			
open space and therefore this land to the west of the village has been identified			
as being suitable for further development.			
9			
Although there is potential development land to the east of the village this			
proposed site is enclosed by the A143 and the Earsham Road and is a logical			
extension of the village. It was also identified on Map 022 reference 930 for the			
Local Plan Site Specific Allocations and Policies September 2012.
