

Greater Norwich Call for Sites Submission Form

FOR OFFICIAL USE ONLY	
Response Number:	GNLP0221
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team no later than **5pm on Friday 24 June 2016**.

By email: callforsites@gnlp.org.uk

Or, if it is not possible submit the form electronically,

By Post to:

Site location / address and post code (please include as an attachment to this response form a location plan of the site on an scaled OS base with the boundaries of the site clearly shown)	Land off the Norwich Road, Reepham NULL NULL Reepham Norfolk
Grid reference (if known)	TG105229

Site area (hectares)	0.7
Site parish	Reepham
Site district	Broadland

Site Ownership	
3a. I (or my client)...	
Is a part owner of the site	
3b. Please provide the name, address and contact details of the site's landowner(s) and attach copies of all relevant title plans and deeds (if available).	
3c. If the site is in multiple landownerships do all landowners support your proposal for the site?	Yes
3d. If you answered no to the above question please provide details of why not all of the sites owners support your proposals for the site.	

Current and Historic Land Uses
4a. Current Land Use (Please describe the site's current land use e.g. agriculture, employment, unused/vacant etc.)

The land is currently vacant	
4b. Has the site been previously developed?	No
4c. Describe any previous uses of the site. (please provide details of any relevant historic planning applications, including application numbers if known)	
The land has been vacant for many years and is used occasionally for temporary car parking by a neighbouring property. A planning application for a single dwelling was refused in 1995 (application no; 950464)	

Proposed Future Uses	
5a. Please provide a short description of the development or land use you proposed (if you are proposing a site to be designated as local green space please go directly to question 6)	
The land is proposed for residential use.	
5b. Which of the following use or uses are you proposing?	
Market Housing	Yes
Affordable Housing	No
Residential Care Home	No
Gypsy and Traveller Pitches	No
Business and offices	No
General industrial	No
Storage and distribution	No
Tourism	No
Recreation & Leisure	No
Community Use	No
Public Open Space	No
Other (Please Specify)	NULL
5c. Please provide further details of your proposal, including details on number of houses and proposed floorspace of commercial buildings etc.	

Development of 5+ residential units. Whilst this would be considered is a low density scheme, we believe it is more sympathetic to the surrounding area.

5d. Please describe any benefits to the Local Area that the development of the site could provide.

The land is situated in the key service centre of Reepham. It has property situated to the east and west and lies opposite the settlement limit. Reepham is a popular place to live and there is a shortage of property available to purchase or rent. The proposed low density 'infill' development would provide further high quality & sustainable housing for Reepham, whilst being sympathetic to the neighbouring area. The land is located approximately only 400 metres from the centre of Reepham so potential residents would be within easy walking distance of all the local services, helping to avoid unnecessary increase in the use of vehicles. Work on the development would be carried out by local tradespeople, using local materials as far as possible.

Local Green Space

If you are proposed a site to be designated as Local Green Space please complete the following questions. These questions do not need to be completed if you are not proposing a site as Local Green Space. Please consult the guidance notes for an explanation of Local Green Space Designations.

6a. Are you proposing a site to be designated as a Local Green Space?

No

6b. Which community would the site serve and how would the designation of the site benefit that community.

NULL

6c. Please describe why you consider the site to be of particular local significance e.g. recreational value, tranquillity or richness in wildlife.

NULL

Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

There is access to the site from the Norwich Road.

7b. Topography: Are there any slopes or significant changes of in levels that could affect the development of the site?
The land is level and clear.
7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?
Ground conditions are suitable for development.
7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?
The land is in Flood Zone 1 where there is a low probability of flooding (less than 1 in 1000 chance each year)
7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?
There are no legal issues that would affect development.
7f. Environmental Issues: Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?
The land is situated near to the Reepham Conservation Area. The proposed development is low density and could be designed to be sympathetic to the nearby area.
7g. Heritage Issues: Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?
The land is situated near to the Reepham Conservation Area. The proposed development is low density and could be designed to be sympathetic to the nearby area.
7h. Neighbouring Uses: What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?
There is residential property adjacent to the land to the east & west so the development would be in keeping with neighboring use. The site is of sufficient size to ensure adequate separation distances between any new and existing units.
7i. Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed.
No

7j. Other: (please specify):
There is a public sewer that crosses the northwest corner of the land and will need to be a consideration for the site layout.

Utilities	
8a. Which of the following are likely to be readily available to service the site and enable its development? Please provide details where possible.	
Mains water supply	Yes
Mains sewerage	Yes
Electricity supply	Yes
Gas supply	No
Public highway	Yes
Broadband internet	Yes
Other (please specify):	NULL
8b. Please provide any further information on the utilities available on the site:	
There is understood to be sufficient capacity at the Reepham treatment works to cope with the additional demands of this development.	

Availability
9a. Please indicate when the site could be made available for the land use or development proposed.
Immediately
9b. Please give reasons for the answer given above.

The owners of the land are committed to develop it as soon as possible. The site is subject to the grant of planning permission, available for development now. The site is available, is a viable and deliverable proposition and there are no constraints, such as ownership, which prevent the site from being delivered within 5 years.

Market Interest

10. Please indicate what level of market interest there is/has been in the site. Please include relevant dates in the comments section.

Site is owned by a
developer/promoter

Comments	The site would be developed by the husband/brother in law of the owners.
-----------------	--

Delivery

11a. Please indicate when you anticipate the proposed development could be begun.

Immediately

11b. Once started, how many years do you think it would take to complete the proposed development (if known)?

18 months

Viability

12a. You acknowledge that there are likely to be policy requirements and Community Infrastructure Levy (CIL) costs to be met which will be in addition to the other development costs of the site (depending on the type and scale of land use proposed). These requirements are likely to include but are not limited to: Affordable Housing; Sports Pitches & Children's Play Space and Community Infrastructure Levy

Yes

12b. Do you know if there are there any abnormal costs that could affect the viability of the site e.g. infrastructure, demolition or ground conditions?

No

12c. If there are abnormal costs associated with the site please provide details:

NULL

12d. Do you consider that the site is currently viable for its proposed use taking into account any and all current planning policy and CIL considerations and other abnormal development costs associated with the site?

Yes

12e. Please attach any viability assessment or development appraisal you have undertaken for the site, or any other evidence you consider helps demonstrate the viability of the site.

The land has all necessary services available and is relatively straight forward and cost effective to develop. Reepham is a designated Key Service Centre and is a sought after place to live with a shortage of property available for purchase or for rent.
