Greater Norwich Call for Sites Submission Form

FOR OFFICIAL USE ONLY	
Response Number:	GNLP0244
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team no later than **5pm on Friday 24 June 2016**.

By email: callforsites@gnlp.org.uk

Or, if it is not possible submit the form electronically,

By Post to:

*Greater Norwich Local Plan Team
PO Box 3466
Norwich
NR7 7NX*

The responses received as part of the Greater Norwich Local Plan Call for Sites will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual site(s) being stored by Norfolk County Council and shared with Broadland District Council, Norwich City Council and South Norfolk District Council, and that the details of the site will be published for consultation purposes.

Further advice and guidance can be obtained by visiting the Greater Norwich Local Plan website or by contacting the Greater Norwich Local Plan team directly:

Website: www.greaternorwichlocalplan.org.uk

E-mail: callforsites@gnlp.org.uk

Telephone: 01603 306603

Recreation & Leisure	No
Community Use	No
Public Open Space	No
Other (Please Specify)	University/NRP related uses and

5c. Please provide further details of your proposal, including details on number of houses and proposed floorspace of commercial buildings etc.

University Related development (teaching/research/accommodation/general infrastructure/ancillary uses); NRP related use and potentially residential land - quantum to be confirmed.

5d. Please describe any benefits to the Local Area that the development of the site could provide.

Improved University facilities - certain of which will be available for use by the local community.

Ensures UEA continues to thrive

Ensures sufficient teaching, research and student accommodation for plan period.

Local Green Space

If you are proposing a site to be designated as Local Green Space please complete the following questions. These questions do not need to be completed if you are not proposing a site as Local Green Space. Please consult the guidance notes for an explanation of Local Green Space Designations.

6a. Are you proposing a site to be designated as a Local Green Space?

No

6b. Which community would the site serve and how would the designation of the site benefit that community.

NULL

6c. Please describe why you consider the site to be of particular local significance e.g. recreational value, tranquillity or richness in wildlife.

NULL

Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

Access will be direct from Colney Lane. No formal public rights of way across the land, but tracks/access for public use with University permission.

7b. Topography: Are there any slopes or significant changes of in levels that could affect the development of the site?
To be determined through forthcoming technical work.
7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?
To be determined through forthcoming technical work.
7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?
To be determined through forthcoming technical work.
7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?
No sites within High Flood Risk Zone (3, 3b) Drainage Strategy to be determined through forthcoming technical work.
7f. Environmental Issues: Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?
No heritage issues.
7g. Heritage Issues: Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?
No heritage issues.
7h. Neighbouring Uses: What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?
University grounds sports pitches to the north and west; residential development to the east of site B. Open land and residential property to the south.
7i. Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed.
There are no exiting uses or buildings requiring relocation in Sites A and B; Site C is used for grounds maintenance, which will need to be relocated.
7j. Other: (please specify):

To be determined through forthcoming technical work.

Utilities

8a. Which of the following are likely to be readily available to service the site and enable its development? Please provide details where possible.

Mains water supply	Yes
Mains sewerage	Yes
Electricity supply	Yes
Gas supply	Yes
Public highway	Yes
Broadband internet	Yes
Other (please specify):	NULL

8b. Please provide any further information on the utilities available on the site:

To be determined through forthcoming technical work. Sites will be served by University utility infrastructure where possible. Some local infrastructure/utilities reinforcement/upgrades expected.

Availability

9a. Please indicate when the site could be made available for the land use or development proposed.

5 - 10 years (between April 2021 and 2026)

9b. Please give reasons for the answer given above.

Development will be subject to funding.

Market Interest	
10. Please indicate what level of market interest there is/has been in the site. Please include relevant dates in the comments section.	
None	
Comments	The site has not been marketed.

Delivery	
11a. Please indicate when you anticipate the proposed development could be begun.	
5 - 10 years (between April 2021 and 2026)	
11b. Once started, how many years do you think it would take to complete the proposed development (if known)?	
Likely to be determined once funding in place.	

Viability	
12a. You acknowledge that there are likely to be policy requirements and Community Infrastructure Levy (CIL) costs to be met which will be in addition to the other development costs of the site (depending on the type and scale of land use proposed). These requirements are likely to include but are not limited to: Affordable Housing; Sports Pitches & Children's Play Space and Community Infrastructure Levy	Yes
12b. Do you know if there are there any abnormal costs that could affect the viability of the site e.g. infrastructure, demolition or ground conditions?	No
12c. If there are abnormal costs associated with the site please provide details: NULL	
12d. Do you consider that the site is currently viable for its proposed use taking into account any and all current planning policy and CIL considerations and other abnormal development costs associated with the site?	Yes

12e. Please attach any viability assessment or development appraisal you have undertaken for the site, or any other evidence you consider helps demonstrate the viability of the site.

Viability information to follow. Development will be subject to the University securing funding.

Other Relevant Information

13. Please use the space below to for additional information or further explanations on any of the topics covered in this form

Nothing.
