Mr Allen,

**4. Current and Historic Land Uses**

**4b. Has the site been previously developed?** No

**5b. Which of the following use or uses are you proposing?** - Market Housing  
- Affordable Housing

**5c. Please provide further details of your proposal, including details on number of houses and proposed floorspace of commercial buildings etc.**

This piece of land is a 'gap' on Norwich Road which is ideal for a small build of properties to help connect the two ends of the village. The council wishes for row frontage only, in keeping with the rest of this road and the housing next to this site.

**5d. Please describe any benefits to the Local Area that the development of the site could provide.**

The site is a good opportunity to allow some building to take place yet only on a small and manageable scale rather than large developments which the village cannot currently cater for. As stated above if approximately 5 house were built here, it would help connect two parts of the village and benefit the overall look of the residential road.
