We propose a residential development to meet the needs of the local and surrounding areas.

5b. Which of the following use or uses are you proposing? - Market Housing

5d. Please describe any benefits to the Local Area that the development of the site could provide.

The site would provide housing to meet the demand of the local area.

6. Local Green Space

If you are proposing a site to be designated as Local Green Space please complete the following questions. These questions do not need to be completed if you are not proposing a site as Local Green Space. Please consult the guidance notes for an explanation of Local Green Space Designations.

7. Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

Access to the site is gained off the adopted Cooke's Road.

7b. Topography: Are there any slopes or significant changes of in levels that could affect the development of the site?

None

7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?

Due to the historic uses on the site we do not understand there to be any contamination issues.

7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?

A search on the Environment Agency Flood Maps for Planning has shown the site to be in flood zone 1 and therefore has a low probability of flooding.

7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?

None

7f. Environmental Issues: Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?

The site is bounded by hedge rows. There are no areas of ecological or geological importance on or adjacent to the site.

7g. Heritage Issues: Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?

None.

7h. Neighbouring Uses: What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?

The site is neighboured by the Burgh Apton Village hall and further agricultural land. Opposite the site, across Cooke's Road is further residential development

7i. Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed.

None
