Proposed Future Uses

5a. Please provide a short description of the development or land use you proposed (if you are proposing a site to be designated as local green space please go directly to question 6)

Proposal is for - housing development - the existing businesses at the top of the site should be a valuable asset to any housing development

5b. Which of the following use or uses are you proposing?

Market Housing <input checked="" type="checkbox"/>	Business and offices <input type="checkbox"/>	Recreation & Leisure <input checked="" type="checkbox"/>
Affordable Housing <input type="checkbox"/>	General industrial <input type="checkbox"/>	Community Use <input type="checkbox"/>
Residential Care Home <input type="checkbox"/>	Storage & distribution <input type="checkbox"/>	Public Open Space <input type="checkbox"/>
Gypsy and Traveller Pitches <input type="checkbox"/>	Tourism <input type="checkbox"/>	Other (Please Specify)

5c. Please provide further details of your proposal, including details on number of houses and proposed floorspace of commercial buildings etc.

We would prefer to see the 25 acre site developed with high quality spacious properties and landscaping, rather than a tightly packed estate like many of the recent developments around Wymondham, although we are open to suggestions

5d. Please describe any benefits to the Local Area that the development of the site could provide.

Would contribute to fulfilling the general housing shortage without creating a huge impact on the local village of Sutton, as access would be from the B1172 just 1/2 mile from the A11 Morley Junction opposite 11 Mile Lane and the land falls away from the village
